### NOW LEASING

The Marina on Naisoso is coming and we're excited to present to you the initial concept plans for Fiji's most anticipated tourism and retail development.

With office and retail spaces available now for lease register your interest today.

Not only will it boast being the heart of Naisoso Island and a commercial hub for tourists and visitors alike, but it will add an exciting and modern shopping and entertainment space in Fiji. Only minutes from the international airport in Nadi, The Marina on Naisoso will become the beating heart of the West and will set unparalleled standards for design, construction, and purpose.

Developed by an experienced team with proven track records both in Fiji and overseas, be part of this retail, commercial and office precinct.
